Subject: Final decision of the Student Union regarding the 6th semester examinations.

Ma'am,

I on behalf of the student union of our college would like to state that we have agreed to the decision of conducting the final/6th semester examinations as long as the Standard Operating Procedure of conduct of Examinations provided by UGC are maintained . Please ensure that maximum safety measures are taken up for the mental and physical well-being and safety of the students as well as the invigilators. Also, as a precautionary measure, I very humbly request you to kindly make an arrangement to keep the college gates closed after the office hours so as to prevent any trespassers.

Yours faithfully,

(Jury Thounaojam)
